**Important Information:**

- To guarantee membership for the season, existing members have until 2/15/2023 to pay in full (unless opting to pay in installments). After 2/15, membership applications are accepted on a first-come first-served basis, and new membership applications are placed on a waiting list once the quota of 430 members is met.

- An installment payment plan option is available for members wishing to pay in three installments. If you are interested in that option, please use the installment payment form for your application, which can be found on the Membership page of the website.

- Pay early incentive: Two greens fees are complimentary when full payment is received by 1/15/23.

- The previously-communicated Construction Assessment is included in the dues amounts below; however, Junior, Younger Adult, and Golden members are exempt. An optional line has been included for those wishing to make donations.
