

2024 Membership Application

- **To guarantee membership for the season:** Existing members have until 2/15/2024 to pay in full unless choosing the installment plan.
- **After 2/15, membership applications are accepted on a first-come, first-served basis,** and new membership applications are placed on a waiting list once the quota of 430 members is met.
- **Installment payment plan:** This option is available for members wishing to pay in three installments. The first payment is due by 2/15/24 and subsequent payments will be automatically processed with a credit card on file on the first of March and April.
- **Early incentive payment:** Two greens fees are complimentary when full payment is received by 1/15/24. Additionally, memberships for Adults and Couples receive a \$50 discount if paid by this date. Other membership levels are already discounted and, therefore, don't qualify for an additional discount.
- **New members:** A Construction Assessment of \$150 is due for the first two years of membership.
